Track Progress

Specialized for Schools that enroll groups of students at a time. For example, a quarterly class.

Instructions:
Enter the required information below to receive a weekly color coded progress report via email.

Minimum date range is one week. There are 15 lessons in the course. The number of lessons required to be completed each week will be a division of the number of weeks of the selected date range. Example: If the date range set is 4 weeks the number of lessons required to be completed each week would be 4 lessons. Eight weeks would be 2 lessons, and so on.

8. This is an important step. See description below and image below to follow steps.

Red Arrow: These fields are the start date and end date of the course.

Purple Arrow: This is the score you want to set for the Practice Examination at the end. If the student receives anything less than this then the report will show they are not compliant to your criteria.

Black Arrow: Once the criteria has been set press save report.
